Trusted by creators of
beautiful spaces
SINCE 2017

SINCE - 2017

ABOUT US

Apple PVC began its journey in **2017** with a vision to deliver reliable and high-quality PVC products. Over the years, we have grown into a trusted name in the industry, serving customers across India with a strong commitment to **quality, innovation, consistency, and customer satisfaction.**

Our flagship product, **PVC Edge Band Tape**, is designed to provide a seamless and elegant finish to furniture, panels, laminates, and pre-laminated boards. Available in a wide range of colours, designs, sizes, and finishes, our edge bands combine durability, flexibility, and aesthetic appeal to complement modern furniture and interior applications.

Along with **PVC Edge Band Tape**, Apple PVC also manufactures **Wall Plugs** and **PVC Profiles,** providing a comprehensive range of PVC solutions for furniture, interiors, construction, and various industrial applications. Our focus on quality materials and efficient manufacturing helps us deliver products that meet diverse customer requirements.

No matter the size of your business, you can rely on **Apple PVC** for consistent quality, dependable service, and professional support. Backed by decades of industry experience, we continue to develop practical and innovative PVC solutions while building long-lasting relationships with our customers.

Apple PVC - Delivering Quality. Creating Better Spaces. Since 2017.

PVC EDGE BAND

BRAND : APPLE®

Apple PVC is a trusted name in the PVC industry, delivering high-quality products designed to provide durability, functionality, and a superior finish. Our main product, PVC Edge Band Tape, is specially developed to create a seamless and elegant finish for furniture, panels, laminates, and pre-laminated boards. With excellent colour matching, smooth finishing, flexibility, and long-lasting performance, our edge bands enhance both the appearance and durability of furniture.

Along with **PVC Edge Band Tape**, **Apple PVC** also manufactures **Wall Plugs** and **PVC Profiles**, providing a versatile range of PVC solutions for furniture, interiors, construction, and various industrial applications. Our products are manufactured using quality raw materials, advanced processes, and strict quality standards to ensure strength, consistency, precision, and reliable performance.

With a strong commitment to quality and customer satisfaction, **Apple PVC** has been serving the industry **since 2017**. Our experience and technical expertise enable us to understand diverse market requirements and deliver products in a wide range of colours, sizes, designs, and specifications. We continuously focus on developing dependable PVC solutions that meet the evolving needs of our customers across India.

Our Product Range: PVC Edge Band Tape • Wall Plugs • PVC Profiles
